Week Nine

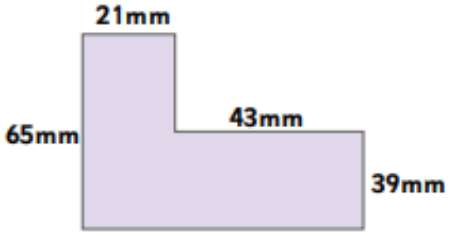

Task 1

Find the perimeter of the paddock.

Task 2

Find the area of the compound shape.

Task 3

I'm thinking of a number.
After I add 2,186, my number is 11,485.
What was my original number?

Task 4

The table shows what desserts the children had at the restaurant.
Complete the table.

	Year 4	Year 5	Year 6	Total
Cheesecake	58	33		97
Sundae	2		54	
Total		60	60	

How many more children in Y6 had the sundae than Y5 and Y4?

Task 5

Solve these division calculations.

30,900 ÷ 10 = _____	
48,400 ÷ 100 = _____	
82,000 ÷ 1,000 = _____	

Task 6

There are 9 square numbers less than 100.
Find them all.
