

Action Plan

Topic 1

Eco-Schools Topic	Biodiversity
Aim Write a short explanation of what you hope to achieve.	To improve/maintain wildlife habitats in our school grounds. To find out which birds visit our school site.
Action(s) Add actions you are going to take/projects you will deliver to achieve your aim. Include delivery dates to set yourself a timeline.	<u>SPRING TERM</u> <ul style="list-style-type: none"> • Set up a bird feeding station. • Take part in the Big School Bird Watch. (7th Jan 2026) • Renovate our existing bug hotel. • Build a log pile.
Informing & Involving Explain how you are going to promote your activities and involve your school community.	Eco-team members to feedback to classes. Put information on Eco Team area on the website Inform parents about habitat improvements in school newsletter. Upload Big School Bird Watch data to RSPB. Ask Mrs Hicks to share pictures on school social media channels.
Monitoring & Evaluation Consider how you will monitor the impacts of your projects and evaluate their success.	Carry out observations throughout the year to note how many birds are seen. Before and after photos of Bug hotel renovation. Photos showing the creation of our log pile.

Action Plan

Topic 2

Eco-Schools Topic	Energy
Aim	To reduce the amount of energy that we use in school.
Action(s)	<p><u>AUTUMN/SPRING TERM</u></p> <ul style="list-style-type: none">• Research, cost, fund and install an energy monitoring system (eg. EcoDriver)• Involve pupils in monitoring and sharing energy data. <p><u>SUMMER TERM</u></p> <ul style="list-style-type: none">• Set targets for reducing energy consumption.• Reward successes in whole school celebration assemblies.
Informing & Involving	<p>Eco-team members to feedback to classes.</p> <p>Put information on Eco Team area on the website</p> <p>Print out energy data graphs and add to Eco-Team notice board.</p> <p>Inform parents about energy monitoring in school newsletter.</p> <p>Share energy data in whole school assemblies.</p>
Monitoring & Evaluation	<p>Monitor energy data weekly and share in celebration assemblies on Fridays.</p> <p>Compare energy consumption for June 2025-June 2026, with what was used in the previous 12 months.</p>

Action Plan

Topic 3

Eco-Schools Topic	Waste
Aim	To reduce the amount of food wasted in the school canteen.
Action(s)	SUMMER TERM <ul style="list-style-type: none">• Share information about why we need to reduce our food waste.• Work with school council to collect and weigh the food thrown away by each year group. Repeat later in the term to try to see year groups can improve on the initial figure.
Informing & Involving	Eco-team members to feedback to classes. Put information on Eco Team area on the website Inform parents about food waste monitoring in school newsletter. Share food waste monitoring data in whole school assemblies.
Monitoring & Evaluation	Compare data from both monitoring days - have we improved?
